The 'Manx Word of the Day' is a feature on the 'Late Lunch' programme on Manx Radio – they usually play it at about 1.15pm (subject to change if there is a press conference) and give people a chance to phone in and say what they think the word means, and if you get it right, you are entered into a draw for a prize. At about 1.50-1.55 they reveal the right answer and say who got it right and will be entered into the draw (I think it's 1 draw per week).

Free to download: The Manx Songs App 'Roie Mygeayrt'
