

Y1 - Arbory Home Learning Weekly Planning Sheet 27.4.20

Daily Reading

Share a story with your child every day – encourage them to have a go!

Practical Activities

What materials can you find that do / do not dissolve in water?

Practical Activities

Find 10 flowers / leaves. Can you identify them? Do they have a scent?

Practical Activities

Have a go at making a fresh fruit salad, can you name the fruits and make it really colourful?

Writing Task

Can you learn to write your full name and address?

Writing Task

Write as many words that you can come up with that rhyme with the words 'frog' and 'bed'.

Numeracy Focus – number

Make 2 sets of number cards from 0 to 10. Choose pairs – can you add them. Can you find 2 numbers that add up to 20? Arrange numbers to 20 in order, if one digit is removed can you identify the missing number? Write numbers to 20 and beyond if you can. Give children a set of objects – how many more do you need to make 20?

Topic: Toys

Can you write a list of your favourite toys? Design a toy shop – using a piece of A4 paper, draw around 2D shapes in order to fill the page with blank shapes. Draw pictures of a toy inside each shape in order to create your own toy shop. Can you come up with an exciting name and logo for your shop?

Ongoing ideas to support your Year 1 child:

Bedtime story

Sing the alphabet song

Work on learning the days of the week

Working as a team in order to get housework done – emptying bins, sorting underwear, learning how to butter bread.

Carry on focusing on learning to read, write and spell your high frequency words.

Joe Wicks workout daily workout sessions

Have a go at the daily lego challenge

Activities/links to support your child's learning:

Writing

Hamilton Trust Learning at Home packs for English - <https://www.hamilton-trust.org.uk/blog/learning-ho...>

Literacy Shed: Teaching packs with writing activities for KS1/2 linked to video - <https://www.literacyshedplus.com/en-gb/browse/free-resources>

Mathematics

Hamilton Trust - <https://www.hamilton-trust.org.uk/blog/learning-ho...> - Learning at Home maths packs for YR - Y6.

Corbett Maths - <https://corbettmathsprimary.com/> useful for '5 a day' practice (with answers). Also videos with accompanying worksheets.

Topic

Explorify -

s Darlington -

<https://www.youtube.com/channel/UCu5cN0pC2Dj20AubXpLHF2g/videos> - creative art and craft activities

TES resources

- <https://www.tes.com/teaching-resources/teacher-ess...> - ideas, activities and worksheets from all areas of the curriculum.

Practical Activities:

Make giants hands – fill two rubber gloves with water and tie at the top. Place in the freezer for 24 hours – what has happened? Find a location for one of the objects to melt quickly and for the other to melt slowly.

Collect some sticks – can you make a stick man?

Learn to tie shoelaces

Can you hop on one leg 20 times? Next try the other leg.

Draw a picture on a piece of A4 paper. Cut the paper into 8 pieces. Can you put it back together like a jigsaw puzzle?

Play some board games!
