

Did you struggle to help your child with Maths during Lockdown?

Does your child learn Maths in different way to the way you were taught?

Would you like to find out more about how Maths is taught today, and how you can help them?

If so then why not come along to a
Modern Maths Workshop

When: Thursday 19th November at 6.30pm

Where: Castle Rushen High School

The evening will be aimed at parents of children in
Years 5, 6, 7 and 8.

To book a place please
**contact your child's
school office.**
