July 2021

Dear Parents

Laa Columb Killey

Thanks to everyone who supported Laa Columb Killey, especially as it was wet again this year and we had to regroup and alter the opening ceremony. It was good to give out the prizes to the children as this doesn't normally happen. The fancy dress was fantastic yet again and hard to judge. Well done to all the prize winners!

Millennium Football

Well done to the team who played well and were unlucky not to proceed into the final stages. Thanks to all the parents who went to support the team and to Mr Parry for organising them.

Year 2

We have now heard that Mrs Hickey will be starting at the beginning of next term and so we are pleased to welcome her as part of the staff team. This means we will be losing one ex-pupil (Mrs Young) and gaining another!

Covid Update

You will have heard that the isolation requirements changed again last week. As close contacts no longer need to isolate, please ensure that if you child has any symptoms, that they do not come to school until they have had a PCR test.

National Week Concert

The school choir did a fantastic job representing the school at the concert and we received some lovely feedback from the commissioners.

School Fair

Thanks to everyone who helped out and attended the school fair. The weather was kind to us and the children had a very enjoyable time. Altogether the amount raised was just over £1000 although our first purchase, the ice creams for sports day was taken out of this total.

School Sports

This year was probably the hottest sports day in recent years. Thank you to everyone who came and to the Friends of Arbory who set up a drinks stall. Thanks also to those parents who provided the gazebos and to everyone who took a part in clearing the field after the event. As usual, a big thank you goes to the staff, especially Mrs Collister, who organised the event again this year. Well done to Team Godred who won the overall event.

St Marks Fair

Well done to Sophie and Rollo who acted as attendants to the St Marks princess. You did a great job on another very hot day.

As usual, I would like to take this opportunity to thank everyone in the school community for helping to make Arbory such a wonderful place to teach, work and learn. We have really pulled together as a community this year during difficult times and we have appreciated all the support we have been given as we strive to give your children the best that we can offer.

It is also a sad time as we say goodbye to pupils and staff and we wish everyone the best of luck for their future paths. Enjoy the summer and stay safe!

Yours sincerely,

JH Ayres
Headteacher
