Dear Parents

Happy New Year! Hopefully you have all had an enjoyable Christmas and it is great to see the children back in school once again. Hopefully, you will have seen the latest press release from the DESC.

This week, there will be **no assemblies** or **swimming lessons** but school will operate as normal with the usual mitigations in place.

The emphasis will still be on handwashing, ventilation and other mitigations will carry on as before, namely;

- Children who are feeling unwell should not come into school and children in school who begin to feel unwell will need to be collected.
- Face coverings for staff and children in Y5 and Y6 are expected.
- Everyone is being encouraged to take regular lateral flow tests.

Please note that there will be no lunchtime or after school clubs until further notice.

Please take some time to make a note of this month's information.

As usual, we are asked to submit our predicted number for September by the end of this month. Please can you ask relatives and friends to enrol any children who are due to commence school this September.
