Pupil Voice

We're excited to launch a new Pupil Voice section in our newsletter. This will be a space where our children share their ideas, achievements, and perspectives. Please note that Pupil Council Elections take place next week — a wonderful opportunity for pupils to get involved, develop leadership skills, and represent their classmates.

If you want your child to swap between school dinners and packed lunch, please let the office know 24 hours to swap from dinners to packed lunch and 2 weeks to swap from packed lunch to dinners.

Headteacher Update

A very warm welcome back to school! I hope you all had a wonderful summer break.

As the new Executive Headteacher, I am really looking forward to the journey ahead and to working closely with our pupils, staff, families, and the wider school community.

Just a reminder that our Introductory Parent Presentation will take place on Wednesday 17th September at 5:30pm in the school hall. Refreshments will be available, and there will be time to mingle and chat afterwards — I very much look forward to seeing you there.

Our school newsletter will now be published monthly and will include key dates and important information. Please note that the dates shared are not exhaustive and may be subject to change. We will always aim to give as much notice as possible for events taking place during the school day.

As we move to using Arbor for consents, please do contact the school office if you experience any difficulties — Mrs Harrison will be happy to support you.
