PUPIL COUNCIL UPDATE

"Today we have our Autumn disco, which is going to be the best disco! For this, we made lots of information stations and posters. We had a say in what items we ordered to sell. We are organising some sessions with the hearing support service to teach the school some sign language. We are busy planning Children in Need... with a cake sale!"

HARVEST CELEBRATIONS

A huge well done to the amazing YR, Y1 and Y2 children and staff for a wonderful Harvest Concert! The children celebrated this special time of year beautifully, and it was lovely to give thanks to our farming community for all that they do. Thank you also for all the generous donations, enthusiastic bidding, and to our fantastic auctioneer, Phil Cringle. An amazing total of £955.00 was raised for Friends of Arbory!

Thursday 11th December @ 2pm - Y5 and Y6 afternoon show

Headteacher Update

Welcome back after the half term! I hope you all had an enjoyable break and made the most of the festivities of Hop Tu Naa.

Last half term was jam-packed with events, visitors, trips, and fantastic learning – and this continues into the new half term, with the addition of all the (dare I say it!) Christmas excitement! With that in mind, please keep a close eye on the dates section of this newsletter and be sure to check Dojo regularly for updates.

We're looking forward to welcoming parents to our Parent Meetings next Monday and Wednesday. Your attendance is greatly appreciated, as it is important that we keep you updated on how your child has settled into the new school year, the progress they are making, and how you can support their next steps.

If you have any difficulties signing up using Arbor, please drop by the school office or call Mrs Harrison for support. We look forward to seeing you all!

ARBORY VALUES

ARBORY CORE VALUES

Kindness

Curiosity

Creativity

Respect

A post was recently shared on Dojo revealing the results of our new School Values. These values will form the backbone of our school – shaping everything we do and guiding how we live and learn together at Arbory School.

We warmly encourage you to talk about these values at home with your children – recognising them in action, celebrating when they are shown, and helping to support and reinforce them beyond the classroom. Working together, we can help our children truly live out the Arbory Values every day!
